

# Family Vision Optical EYE Read Program

## What

**Family Vision Optical** is a proud supporter of education and created the **Eye Read Program** to encourage students to read more and hopefully build a life-long habit and love of learning. Students track their reading throughout the summer on the **Eye Read** reading log and once filled up, return it to our office for a certificate to get a **FREE** small pizza from **Jet's Pizza** (Allendale location only)!\*

*\*Limit 1 reading log per student per 4 weeks.*

## Who

Any students that will be entering Kindergarten through 5th grade in 2026 are eligible to participate.

## When

The summer reading program is **June 1st - August 31st, 2026**. Completed reading logs will be accepted during regular business hours at Family Vision Optical **after** June 28, 2026. Completed logs must be turned in by August 31st to be eligible for a prize.
